**The End is Near—The End of Litter Box Problems**  
**CAT SCENE INVESTIGATOR: SOLVE YOUR CAT'S LITTER BOX MYSTERY**  
**By DUSTY RAINBOLT, ACCBC**

**Lewisville, TX-October 18, 2016** – Author and cat behavior expert, Dusty Rainbolt, is not just an award-winning writer, she's an advocate for cats in trouble. Over the past 30 years, she has rescued and rehomed over 1500 homeless cats (many of whom lost their families due to litter box mishaps.) She has also worked to mend broken relationships between people and their cats. Because of her work with displaced kitties, Rainbolt was inspired to write her just-released book, ***Cat Scene Investigator: Solve Your Cat's Litter Box Mystery***, the consummate guide to dealing with a cat who sidesteps his appointed toilet. **CSI** helps people view their cat's litter box avoidance through the eyes of a detective. The book provides science-based methods for determining the medical and behavioral causes of feline inappropriate elimination, as well as how to remedy the problem, but the message is delivered in Rainbolt's trademark casual, humorous style. The book is enhanced with cartoons from the award-winning illustrator, Stephanie Piro.

Stupid Gravity Press, LLC, proudly launched this must-read book October 11, 2016 at [Amazon.com](http://Amazon.com), animal shelters and veterinary offices around the country. Dusty is past president of the Cat Writers Association (CWA) and editor-in-chief for AdoptAShelter.com, an online cash rewards mall that benefits animal charities.
